

Whestlee Cunanan

IT STUDENT

Panipuan, Mexico, Pampanga | +927-170-6063 | whestleedcunanan@gmail.com

A motivated aspiring Graphic Designer & UI/UX Designer with a growing foundation in creating visually engaging and user-centered digital experiences. Skilled in developing clean, functional interfaces through user research, wireframing, and interactive prototyping, while also producing creative visual materials such as posters, promotional graphics, and digital layouts. Possesses basic video editing skills and an understanding of visual storytelling to support multimedia content creation. Brings a collaborative mindset, attention to detail, design thinking approach, and basic front-end knowledge to contribute to intuitive and visually balanced designs.

TECHNICAL SKILLS

- UX/UI Design (Web & Mobile Interfaces)
- Basic Front-End Development (HTML, CSS, JavaScript)
- Typography & Visual Hierarchy
- UX Research & User Flow Mapping
- Color Theory
- Graphic Design (Posters, Social Media, Marketing Materials)
- **Tools:** Adobe Photoshop, Canva, Figma, Capcut

SOFT SKILLS

- Teamwork & collaboration, Adaptability and willingness to learn, Attention to detail, Design Thinking, Empathy for users, Openness to feedback and iteration

EXPERIENCE

Personal Projects, School Projects and Freelance Experience

Attendify (Capstone project)

2025 - 2026

- Produced UI/UX designs for the web application, focusing on clean layout and user-friendly interfaces.
- Designed wireframes and prototypes to support the structure and flow of the system.
- Applied consistent design principles to maintain visual clarity and responsiveness across screens.
- Collaborated with the team and instructors by aligning design output with development needs and feedback.

BulaOne (School Project)

Oct - Nov 2024

- Produced UI/UX designs for the barangay management system, focusing on clarity, usability, and efficient navigation
- Designed interfaces to improve accessibility, usability, and secure data handling for barangay-related processes
- Collaborated with the team to align design output with development requirements and feedback
- Created wireframes and prototypes to define user flows and system structure

Recruitment ads & Promo banner, Quanta Paper Corporation

Feb - May 2026

- Created professional recruitment posters and promotional marketing materials for company campaigns and hiring initiatives during internship at Quanta Paper Corporation.
- Designed visually engaging social media graphics aligned with the company's branding and marketing objectives.
- Collaborated with HR Assistant Manager and team members to revise and finalize graphic materials based on company requirements and feedback.
